A Monthly Source of Information for
Beneficiaries of the Adventist Retirement Plans

Medicare Part B Premium Reimbursement Reminder

Most retirees pay a monthly premium for Medicare Part B through the Social Security benefit. For those retirees eligible to participate in SHARP, the retiree healthcare plan, the plan provides a partial reimbursement of the Medicare Part B healthcare expense by simply increasing the monthly pension by a percentage of the standard Medicare premium. The reimbursement ranges from 50 to 90 percent, and is based on years of qualifying service credit.

Pre-Medicare retirees are asked to provide a photocopy of the Medicare card when reaching age eligibility for Medicare. This provides the documentation needed to initiate the reimbursement, and the retiree receives a nice little increase in benefits. However, the plan will

only go back one year for any healthcare assistance, including Medicare B reimbursement.

So,

- ▶ If you or your spouse have recently turned 65 and enrolled in Medicare,
- ▶ and you are a SHARP participant,
- ▶ and you have not already done so, please send a photocopy of your Medicare card or cards to the Adventist Retirement Plans office. We'd like to give you a raise!

If you are not certain whether you are already receiving a Medicare reimbursement, please check your most recent January statement received from the plan. It will show a line item for Medicare B if you are receiving such a reimbursement.
